

VOTE CENTER vs PRECINCT LOCATION VOTING

Expenses

- Electronic pollbook
 1. \$3,000 per election or purchase \$25,000
 2. Computers/software (county used/rented/purchase)
- Post cards
 1. Printing \$3,000 - \$5,000
 2. Postage \$4,700 - \$9,000

Estimated new expenses: \$8,000 – \$17,000

Savings

- Poll worker wages-**immediate savings**
 1. 58 precincts @ \$500 each = \$29,000
 2. 8 vote centers = \$6,500
 - Election day = \$4,000
 - Satellite = \$2,500

Equipment-long term savings

1. 58 precincts/265 machines @ \$3,000 = \$795,000
 2. 8 vote centers/80 machines @ \$3,000 = \$240,000
- *Presidential election year will require an additional 20 machines = \$60,000
3. Delivery of equipment – fewer locations saves \$3,000 per election

Estimated savings

Poll worker wages - \$16,000

Equipment delivery - \$3,000

Equipment purchase - \$495,000
